Hamrah's of Cresskill Raises \$20K to Benefit Table to Table

March 24, 2010 - On Friday, March 12, Hamrah's, one of the area's best-loved specialty boutiques, hosted an afternoon of spring shopping to benefit Table to Table, Northern New Jersey's only dedicated food rescue organization. Owners Lilli and Joyce Hamrah, long-time supporters of Table to Table, hosted the event, which featured informal modeling of luxurious clothing from top American and European designers. Table to Table raised more than \$20,000 through donations, generous contributions and proceeds from the afternoon.

Shoppers enjoyed Champagne and passed hors d'oeuvres while choosing from the boutique's collection of beautiful sweaters, feminine suiting and dressing, sophisticated separates and contemporary sportswear.

Table to Table is the only dedicated food rescue program in northeast New Jersey, serving over 60 hunger relief agencies throughout Bergen, Passaic, Essex and Hudson counties. Table to Table receives no government funding and, instead, relies solely on support from private and corporate donations.
