

Table to Table Gift-Wraps to Feed the Hungry this Holiday Season

Have holiday gifts wrapped and shipped right from The Shops at Riverside

November 2008 - This holiday season, volunteers of Table to Table, Northeast New Jersey's only dedicated food rescue program, are offering a complete Holiday Gift Wrap service at The Shops at Riverside in Hackensack, NJ. The gift wrapping service is conveniently located on Level 1 by Cole Haan and is open 10 am to 10 pm, Monday through Saturday, December 1 - 24. Shoppers can bring their gifts to be wrapped (including gifts purchased outside the shopping mall) and even mail from a U.S. Postal Service station located in the Gift Wrap store. 100% of gift wrap proceeds benefit Table to Table. Prices for gift wrap start at \$5.

"We are delighted to be back at The Shops at Riverside, offering shoppers the opportunity to shop, wrap and ship all in one spot while making the lives of our hungry neighbors a little bit brighter," said Ilene Isaacs, Executive Director of Table to Table. This is the eighth year that Table to Table has offered holiday wrapping service at The Shops at Riverside. The Holiday Gift Wrap store is staffed 100% by community volunteers.

Table to Table is the only dedicated food rescue program in northeast New Jersey, serving over 60 hunger relief agencies throughout Bergen, Passaic, Essex and Hudson counties. Table to Table receives no government funding and, instead, relies solely on support from private and corporate donations. Numerous northern New Jersey individuals, businesses and organizations contribute to Table to Table's success.
