## TABLE TO TABLE CHEFS GALA

Table to Table's Chefs Gala took place at the Edgewood Country Club in River Vale and raised funds to provide enough fresh food for 3.5 million meals for hungry neighbors throughout northern New Jersey. Celebrated chefs prepared their delicious selections, expertly paired with fine wines. This year's Gala Honoree was chef, restaurateur, author, and community advocate, Melba Wilson. In addition to the multi-course meal, attendees placed bids in the live auction featuring travel, food, and wine experiences. A silent auction, during the cocktail hour, was added this year. Every dollar raised helps deliver enough food for 10 meals to hungry neighbors.

## HAWORTH 14TH ANNUAL 5K RUN/WALK

You would think the weather would have kept people away, but almost 450 runners and 50 volunteers showed up in Haworth to participate the 14th annual Haworth 5K Run/Walk in September. Haworth race director Dr. Jeff Pavell reported that the race has given away more than \$300,000 to town organizations and local charities over the years and that every runner is greeted with a warm welcome over the microphone as they cross the finish line to a cheering crowd.
