

Table to Table®

Rescuing food. Reducing waste. Relieving hunger.

# 2026 SPONSORSHIP OPPORTUNITIES

Dear Community Partner,

As Table to Table embarks on another year of growth in 2026, **we invite you to be part of our food rescue mission** to make a profound impact in the fight against hunger, food insecurity, and food waste in Northern New Jersey. **By partnering with Table to Table, you demonstrate your commitment to creating a stronger, healthier, and more sustainable community for all.**

The numbers are staggering: **more than one million people in New Jersey face food insecurity**, including nearly 300,000 children. The need is only getting greater; every day, thousands of families, seniors, and working parents are forced to choose between food or other essential needs like housing and medical care. At the same time, **nearly three billion pounds of surplus food is produced each year** in our State - and most of it ends up in landfills.

Table to Table has been bridging the gap between food waste and hunger for over 26 years, rescuing fresh, nourishing food and delivering it directly, for free, to communities in need. In 2026, through our fleet of refrigerated trucks and army of Food Rescue Hero volunteers, we will provide **enough food for over 25 million healthy meals** to our partner pantries, shelters, senior programs, and other front-line nonprofits. Every \$1 donated gives us the resources to rescue and deliver food for 10 meals, making our impact immediate and measurable.

This booklet outlines the many ways we can work together to fight food waste and hunger. From signature events including our Annual Chefs Gala, Golf Classic, and Behind the Seams Fashion Show, to school-based initiatives and employee engagement programs, you'll find meaningful opportunities to align your corporate social responsibility and sustainability goals with our mission to rescue food, reduce waste, and relieve hunger here in New Jersey.

Your partnership helps turn surplus into sustenance, ensuring that more nourishing food ends up on our neighbors' tables. Thank you for helping us make a lasting difference. Together, we can build a future where no good food goes to waste, and everyone has the food they need to thrive.

Sincerely,

Heather Thompson  
Executive Director

## Bag a Lunch, Help a Bunch

*Table to Table partners with schools and districts throughout northern New Jersey, empowering students to rescue food, reduce waste, and relieve hunger in their own communities! Our school partners support us through student-led initiatives including I-Rescue Lunch cafeteria rescues; fresh produce drives; and our signature 'Bag a Lunch, Help a Bunch' program.*

*Companies participate in 'Bag a Lunch, Help a Bunch' too! Each school or company chooses when they want to run the campaign, and sets a customized goal. Students/employees are invited to "brown bag" their lunch - for a day, a week, even a month - and contribute the money they save to Table to Table.*
